

REPORT

THE CITY OF SAN DIEGO TO THE PARK AND RECREATION BOARD

DATE ISSUED: January 21, 2021

REPORT NO: 101

ATTENTION: Park and Recreation Board
Agenda of January 21, 2021

SUBJECT: Proposed Adjustment in Hours for Leashed Dogs Access at Mission Bay Park

SUMMARY

Issue – Should the Park and Recreation Board approve recommending that the San Diego City Council enact a change to the current hours that dogs are prohibited at Mission Bay Park? The San Diego City Council must amend the San Diego Municipal Code (§63.20.12, Dogs Prohibited beach and bay) in order to enact the changes to times that dogs are prohibited at Mission Bay Park.

Director's Recommendation – Staff recommends acceptance of the recommendations from the Pacific Beach Town Council and the Mission Bay Park Committee as noted below.

Other Recommendations

- On October 6, 2020, the Mission Bay Park Committee unanimously approved to support the adjustment in times that leashed dogs are not permitted at Mission Bay Park to read: Dogs are not allowed between 10:00 a.m. and 4:00 p.m. year-round. (Attachment 1). Note: The current hours that dogs are not allowed is: Winter (November 1 to March 31) from 9:00 a.m. to 4:00 p.m. and Summer (April 1 to October 31) from 9:00 a.m. to 6:00 p.m.
- On July 1, 2020, the Pacific Beach Town Council approved to petition Parks and Recreation Department to change the hours that dogs are not allowed on the beach, boardwalk, or adjacent parks to be 10 am – 3 pm during the winter and 10 am – 5 pm during summertime. (Attachment 2)

Fiscal Impact – Approximately \$10,000 (labor and materials) to revise and replace all park regulations signs related to hours that dogs are prohibited at Mission Bay Park.

Water and Energy Conservation Status – The proposed action would not have an impact on any water and energy conservation guidelines contained in Council Policy 200-14.

Environmental – The Planning Department has determined that this activity is not subject to CEQA pursuant to State CEQA Guidelines Section 15060(c)(2), as it would not result in any direct or indirect physical change in the environment.

BACKGROUND

The President of the Pacific Beach Town Council approached Parks and Recreation Department staff to request that the City for San Diego amend Municipal Code related to times that leashed dogs are prohibited at Mission Bay Park. The Mission Bay Park Committee approved the proposed change in time that dogs are prohibited at Mission Bay Park at their October 6, 2020 meeting. The new proposed time that leashed dogs are prohibited is from 10:00 a.m. to 4:00 p.m. year-round. This allows dog owners more time in the late afternoon/evening hours and an additional hour in the morning to bring their dogs to Mission Bay Park. Note: the current times that dogs are prohibited at Mission Bay Park is: 9:00 a.m. to 4:00 p.m. November 1 to March 31; and 9:00 a.m. to 6:00 p.m. April 1 to October 31. (Attachment 3).

DISCUSSION

The primary reason residents requested to increase the time for leashed dogs to access Mission Bay Park is to allow dog owners additional time during day light hours.

Only park locations within Mission Bay Park, excluding Santa Clara, will be considered for change in hours. The shoreline parks are not included. Santa Clara has a separate SD Muni Code with specific hours and locations under SDMC 63.20.12 (b) (Attachment 4), which will remain in effect.

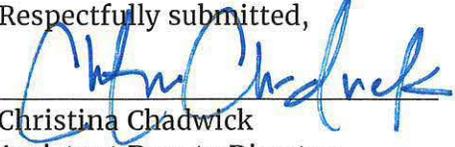

If approved, the change in hours that leashed dogs are prohibited means law enforcement agencies, including the San Diego Police Department and Park Rangers, can only enforce the new times that dogs are prohibited. All the signs currently posted will need to be changed to reflect the new times.

The Pacific Beach Town Council and the Mission Bay Park Committee voted to recommend the new times that leash dogs are prohibited to be 10:00 a.m. to 4:00 p.m. year-round. The Park and Recreation Board is the next advisory group to consider this matter; if approved, the Department will bring this matter forward to the City Council for consideration and amendment to the Ordinance. The application of leashed dog hours at Mission Bay Park is governed by the San Diego Municipal Code in Chapter 6: §63.20.12 Public Works and Property, Public Improvement and Assessment Proceedings (Attachment 4).

ALTERNATIVES

1. Recommend the modification to the times that leashed dogs are prohibited at Mission Bay Park or;
2. Do not recommend the modification to the times that leashed dogs are prohibited at Mission Bay Park

NON-AGENDA PUBLIC COMMENT / COMMUNICATIONS

Comment submitted by Ronald Miller

As a frequent user of Mission Bay Park, I am extremely disappointed with the lack of maintenance. All the park looks old and run down. But specifically, certain sections. Let's start first with Hospitality Point and what used to be Mission Bay Park headquarters now taken over by lifeguard service is in a state of disaster. This used to be a beautiful spot. The section that is supposed to be in its natural state is just plain ugly. Of course, the "Committee" will do nothing but make excuses. THINK OUT OF THE BOX-GET THINGS DONE AND RSTORE THE PARK. I have another 5 spots that are an EYE SORE.

Comment submitted by Andrew Meyer

There is new progress on the ReWild Mission Bay project. At their October 14th meeting, the Regional Water Quality Control Board will review a City of San Diego proposal to create a new alternative for ongoing De Anza planning in the northeast corner of Mission Bay. The City is proposing to spend \$1.25 million on habitat improvements to Kendall-Frost, technical studies for wetland restoration, and a new alternative that commits to planning for 80 acres of new wetland with sea level rise by 2100, what the ReWild Mission Bay project has been pushing for the last year and a half. I'd be happy to answer any questions that I can about the project, or direct you to the City contact for the project.

Lifeguards have been extremely busy during the end of summer leading into the Fall with large crowds flocking the beaches and bay. Ron Anderson asked about illegal watercraft rentals and Lt. Romero commented that Lifeguards have seen an uptick in illegal private watercraft rentals in Mission Bay. Their section has made many contacts to educate these groups and issued several warnings. READ has also been notified since these private rentals violate SD Muni Code impacting several Mission Bay Park Lessees and creates safety concerns.

San Diego Police Department – Officer Brandon Broaddus

Officer Broaddus reported that the Police Department stepped up in enforcement throughout the beach communities, including Mission Bay Park, in response the task force efforts. He provided statistics with numbers of citations issued. Denise Freidman commented that the recent SDPD enforcement efforts has shown an improvement in controlling the illegal fires in the Crown Point area and thanked the task force for addressing these community concerns.

Parks and Recreation Mission Bay Park

Mike Rodrigues, District Manager, reported that the West Bonita playground and comfort station project is nearing completion and a dedication will be scheduled for early November. All playgrounds in Mission Bay Park have re-opened with signage and capacities posted for COVID-19 safety requirements. Parking enforcement has resumed, and illegally parked vehicles are now being cited/towed. Mission Bay Athletic Area improvements are in final design and will visit our Committee at the next meeting. Crown Point accessibility improvements are completed. Fiesta Island continues to be a hotbed of illegally dumped items left behind for park staff to dispose of. Lastly, houses of worship and fitness facilities are now allowed to permit the park grounds for classes and gatherings with a “pending” emergency ordinance that will waive the permit fees. Note, the November MBPC meeting is scheduled on Election Day.

6. Discover PB- funding for trash can collection.

Brian W. reported there is currently four day a week (MWF/Sat) trash collection in the business district.
