Background

Whitman Elementary School

This project provides for the design and construction of a new joint use facility at Whitman Elementary School.

Located at 4050 Appleton Street within the Clairemont Community, Council District 6.

Will provide approx. 4.79 acres of population based park land.

Project Scope

Design and construction of a multi-purpose natural turf field, walking track, new parking lot, drinking fountain, fencing and trees.

Funding for Design and Construction:

San Diego Unified School District various Capital Improvement Bond Program measures.
