## Arts and Crafts-April 18-May 30

Kids Arts and Crafts classes encourage your child to draw, paint and craft projects, so they can develop their artistic talents and expression. Through various media, our arts and crafts classes give kids a creative outlet that allows their imaginations to flourish.

## Cooking class-April 19-May 31

Join us for a hands-on cooking and nutrition education for young people ages 6 through 15. Our kids cooking classes introduce youth to the pleasures of preparing and enjoying food that is both nutritious and delicious - an essential step toward health and well-being.
