**Victim and Suspect Identified in Point Loma Heights Neighborhood  
Murder-Suicide**

San Diego—On Thursday, January 4, 2018 at 9:08 p.m., the San Diego Police Department Communication Center received multiple 911 calls regarding a shooting in the apartment building located at 2850 Adrian Street.

The first police units to arrive found a white female lying in a hallway at the top of a stairway. Officers saw that the victim had sustained multiple gunshots to her body. Not knowing the location of the suspect, officers carried the victim to an area of safety and began CPR. Unfortunately, the victim was later declared deceased at the scene.

Additional officers began searching the apartment building for the suspect and found a white male lying just inside an apartment located on the second floor of the building. The male had a self-inflicted gunshot wound to his head. Not knowing if other suspects were inside the apartment, SDPD SWAT Units were called to the scene and cleared the suspect's apartment. The suspect was declared deceased at the scene. No other suspects were identified.

The preliminary investigation has shown that the suspect and victim were in an argument when the suspect shot her multiple times. The suspect then shot himself. Detectives have not learned the reason for the argument.

The victim has been identified as 49-year old Tiffani Kjeldergaard of San Diego. The suspect has been identified as 59-year old Kenneth Everhart of San Diego.

Further investigation determined Kjeldergaard and Everhart were not in a dating relationship as previously reported.

Anyone with information regarding this incident is asked to call the Homicide Unit at (619) 531-2293 or Crime Stoppers at (888) 580-8477.
