Police Investigate Homicide In Mountain View

San Diego – On May 29, 2019, at approximately 9:34 p.m., the San Diego Police Communications Center received several 9-1-1 calls regarding a possible shooting at Willie Henderson Sports Complex, located at 1000 South 45th Street. Patrol officers arrived on scene within three minutes and found a male in the park suffering from at least one apparent gunshot wound. San Diego Fire-Rescue personnel also responded to the scene and life-saving efforts were attempted. Unfortunately, the man did not survive his injuries and was pronounced deceased at the scene.

Homicide investigators were called to the scene and are handling the investigation. The investigation is in the early stages and very little is known about the circumstances leading up to the man's death. The park was crowded at the time with soccer players and spectators, but it is not believed the victim was involved with the soccer game that was underway. Investigators are in the process of interviewing witnesses and identifying and collecting evidence, and will likely be at the scene throughout the night.

The victim has not been positively identified at this time, but is described as a Hispanic man in his thirties.

The suspects have been described as three Hispanic males in their teens to twenties wearing hooded sweatshirts. They were last seen running from the park, north onto 45th Street.

Anyone with information regarding this incident is asked to call the Homicide Unit at (619) 531-2293 or Crime Stoppers at (888) 580-8477.
