San Diego—On Saturday, October 27, 2018, at 2:22 a.m., the San Diego Police Department Communication Center received a 911 call regarding a shooting at southbound interstate 15, at the northbound interstate 5 on ramp. The caller stated that her boyfriend had been shot.

Police units and medics arrived on scene and found a 21-year old Black male with a gunshot wound(s) to his upper body. The victim was transported to a local hospital. Unfortunately, the victim was pronounced deceased at the Hospital.

San Diego Police Homicide Detectives were called to the scene to investigate the incident. The preliminary investigation has shown that the victim and a companion were traveling on S/B I15 when they noticed a stranded motorist at the N/B I5 on ramp. The victim pulled over to offer assistance. The victim exited his vehicle and was immediately shot. The suspect was described as a Hispanic male, wearing dark clothing in a white vehicle. The suspect vehicle was last seen fleeing south from the scene.

the victim but the victim was not injured. The investigations into both incidents are ongoing.
