

San Diego, Cal.
Oct. 25th, 1924.

To the honorable
The City Council of San Diego-

Gentlemen:

We the undersigned, tax payers and residents of the City of San Diego pray your honorable body to give us relief from the noise occasioned by the dance hall operated at the corner of First Street and "A" Street, San Diego City, known as The Orange Lantern.

~~We are Hotel and Apartment house operators and owners, and the unnecessary noise and boistrous conduct of the nightly revelers at this dance hall is working a great hardship on us and our tenants, as it is continuously making them leave us, it being impossible for them to sleep or have the reasonable quiet to which they are entitled.~~

We respectfully petition your honorable body to grant our request.
