

To the Honorable, the Common Council, San Diego, California,

GENTLEMEN:

The undersigned respectfully petition as follows:

We wish to protest against the granting of a license to operate a public dance hall in the old galvanized iron building located at 3071 University Avenue. Three sides of the block in question are filled with dwelling houses.

We believe it would be a public nuisance, all home owners in this block and adjacent, would be disturbed more or less at night by the noise of the music, parking of automobiles and the breaking up of the dance each evening when the dance hall closes for the night. It would be very undesirable to continue living in this locality under such conditions.
