

P E T I T I O N  
HONORABLE MAYOR AND MEMBERS OF THE CITY COUNCIL:

We, the undersigned property owners, lessees and residents of the neighborhood respectfully petition your honorable body to abate the nuisance, now existing at the south-east corner of Sixth Avenue and Market Street, where a Filipino dance hall is now operated.

The unnecessary noise of automobile horns, used to summon white girls from the dance hall, the loud music(?) of the so-called orchestra and the fighting and arguments on the street corners, after the dance hall closes, constitutes a nuisance that is forcing our tenants to vacate, has depreciated property values and creates a condition offensive to all decent citizens.

Signed
