PUBLIC NOTICE

Date: April 12, 2019

Subject: DSW/TSW – Small Cell Wireless Communication Facility Traffic Signal Policy

The Development Services Department and the Transportation and Storm Water Department have been working together to update our City of San Diego's Traffic Signal Policy for Small Cell Wireless Communication Facility (SC-WCF) attachments.

Beginning on May 16, 2019, DSD will begin accepting Traffic Signal submittals for SC-WCF attachments. Additionally, the reservation list can be submitted to stse@sandiego.gov starting May 1, 2019 at 8 a.m. Staff will be sending out a separate email within a week identifying the conditions for the traffic signal submittals.

Please contact Edric Doringo at 619-446-5098 with any general questions you may have. For specifics on this information, you may contact Simon Tse at 619-687-5984
