## **Pure Water San Diego** Water Sustainability Workshop

**Monday, February 26, 2018**  
10:30 - 11:30 a.m.

Balboa Library  
4255 Mt. Abernathy Ave.  
San Diego, CA 92121

Bring the kids to learn about San Diego's water and participate in an interactive water purification activity! Learn:

- How recycled water can be purified and made drinkable
- Water conservation tips
- Age range: elementary school

Learn how the City's Pure Water Program will produce 1/3 of San Diego's water supply locally using proven technology to clean recycled water.

**Advanced registration is not required.**
