Alvarez on Stadium EIR vote

SAN DIEGO (July 14, 2015) – Councilmember Alvarez has issued the following statement in response to the San Diego City Council’s approval today of the Stadium Reconstruction CIP Project, which authorizes funding for use in the stadium effort, and amends the agreement with AECOM for environmental review services:

“Without a financing plan for this project, we are simply not being serious in our stadium reconstruction efforts.

I could not, in good conscience, support spending \$2 million of taxpayer money without a financing plan or any information as to how this stadium will be built.”
