### REQUEST FOR PROPOSALS INSTRUCTIONS

#### Community Projects, Programs, and Services (CPPS) Funding Programs

The Request for Proposals (RFP) is the second step of the CPPS Funding Program application process. Remaining documents required to contract with the City are requested by those organizations chosen for funding allocations.

A complete RFP consists of the following information.:

### **1. IRS Form 990 or 990EZ**

Form 990 is the IRS' primary tool for gathering information about tax-exempt organizations, educating organizations about tax law requirements, and promoting compliance. Most small tax-exempt organizations whose annual gross receipts are normally \$50,000 or less can satisfy their annual reporting requirement by electronically submitting Form 990-N if they choose not to file Form 990 or Form 990-EZ instead. A tax-exempt organization must file an annual information return or notice with the IRS unless an exemption applies. Exceptions include:

- Organizations that are included in a group return
- Churches, their integrated auxiliaries, and conventions or associations of churches
- Organizations required to file a different return

Please submit the most recent annual information returns, this includes Form 990, Form 990-EZ, Form 990-PF, and Form 990-N (e-Postcard). Please ensure that the Board of Directors are listed on the submitted form. If not, please submit a list of the organization's Board of Directors on official letterhead.

### **2. Certification for a Drug Free Workplace**

The City requires that all City construction contractors, consultants, grantees, and providers of non-professional services agree to comply with the Drug-Free Workplace Policy ([Council Policy 100-17](#)). Include the Project Title, Organization or Agency Name, Signature, Printed Name, Title, and Date.

### **3. Equal Opportunity Contracting (EOC) Work Force Report**

The City is an equal opportunity employer and requires the same of its private partners. Organizations and agencies entering into a contract with the City of San Diego are asked to submit a Work Force Report, showing the gender and ethnic make-up of its employees. If the organization has not appointed an Equal Employment Opportunity Officer (EEOO), please include a contact that can address questions related to the form. If the organization has no employees, please complete page 1, as well as the header, "Board of Directors", and "Volunteers" sections of page 2. If page 3 does not apply to your organization, please complete the header and enter "N/A" under "Grand Total All Employees".

### **4. Living Wage Ordinance (LWO)**

San Diego [Municipal Code Division 42: Living Wage Ordinance](#) requires covered employers and their subcontractors to pay a wage sufficient for a full-time worker to meet basic needs and avoid economic hardship. Exemption requests are processed for approval by the Living Wage Program, a contractor may submit an LWO Application for Exemption for the following reasons:

- Firm employs 12 or fewer employees, including parent and subsidiaries.
- Firm is 501(c)(3) non-profit and highest salary is less than 8x hourly rate of lowest salary.
- A Collective Bargaining Agreement specifically supersedes the LWO

Please complete the LWO Certification of Compliance or Exemption form. If completing the Exemption form, please include the required supporting documentation (A Purchase Agreement/Order is not required at this time). Council Administration will check the form for completeness and submit to the LWO Program on the organization's behalf after Council approval.
