Commissioners also shall be persons who will

commit to volunteering time to serve on the board which meets monthly, as well as on at least one Commission committee and one Commission review panel on an annual basis.

Board Chairs, Presidents, or other officers of the board of directors of an organization funded by the City through the Commission may not be considered for an appointment to the Commission or accept such a position while a Commissioner. A high-level, full-time employee of an organization funded by the Commission may not be considered for appointment to the Commission or accept such a position while a Commissioner. In selecting Commissioners, the Mayor or the Mayor's designee shall consider whether candidates would be able to effectively and ethically serve in light of any foreseeable conflicts of interest.

VI. DESIGNATION OF COMMISSION CHAIR AND VICE CHAIR

As set forth in SDMC 26.0701 et seq., the Mayor may designate one member as Chair in September of each year in which a Chair is to be selected; however, in the absence of such designation, the Commission shall on or after October 15 of such year select from their members a Chair. The Chair shall take office no earlier than October and no later than December. The Vice Chair shall be nominated by the Chair and elected by a majority vote of the Commission.

The Chair presides over all Commission meetings and the Executive Committee meetings, serves as ex-officio member of all Commission committees, and works closely with the Executive Director. The Chair, in collaboration with the Executive Director, draws up the agenda for each Commission meeting. In the event of the Chair's vacancy before term expiration, the Vice Chair will act as Chair for the remainder of that term. The Vice Chair performs all the duties of the Chair in the absence or incapacity of the Chair.

VII. COMMISSIONER TERMS

As set forth in SDMC 26.0701 et seq., Commissioners shall serve two-year staggered terms for a maximum of eight consecutive years and each member shall serve until a successor is duly appointed and confirmed. An interval of four years must pass before an individual can be reappointed.

The expiration date of all terms shall be August 31.

The Chair shall serve a term of two years and can be designated as Chair by the Mayor for one additional, consecutive year. An interval of two years must pass before an individual can be reappointed as Chair.

The Vice Chair shall serve a term of one year and can be reelected as Vice Chair by the Commission for two additional, consecutive one-year terms. An interval of two years must pass before an individual can be reappointed as Vice Chair.

VIII. COMMISSION MEETINGS AND REPORTING

As set forth in SDMC 26.0701 et seq., the Commission will meet monthly and report to the Mayor and City Council on an as needed basis, but not less than one time per year.

The Commission shall conduct its business in accordance with the Ralph M. Brown Act (Brown Act)*, Council Policy 000-16. The Commission will also use *Robert's Rules of Order* to guide its parliamentary procedure.

The monthly Commission meetings are considered “regular” meetings and efforts will be made to establish a fixed, recurring date such as the third Friday of every month. The dates and times of regular meetings will be scheduled with input from the Commissioners. Regular Commission meetings held within the boundaries of the City of San Diego shall be publicly announced and the dockets shall be posted at least 72 hours in advance.

A “special” Commission meeting may be called by the Commission Chair or by a majority of the Commissioners following the process for special meetings outlined in the Brown Act. Special Commission meetings held within the boundaries of the City of San Diego shall be publicly announced and the dockets shall be posted at least 24 hours in advance.

All meetings of the Commission shall be held in locations that do not prohibit the admittance of any person, do not require a payment or purchase for admittance, and are accessible to disabled persons.

*The Ralph M. Brown Act is contained in section 54950 et seq. of the California Government Code.

IX. RESIGNATION AND REMOVAL OF COMMISSIONERS

As set forth in SDMC 26.0701 et seq., any Commissioner may submit written resignation to the Chair. The Commissioner resigning must file a Leaving Office Statement with the City Clerk within thirty days of the effective date of resignation. It is the Chair's responsibility to notify the Mayor of any such resignation.

The Commission may recommend to the Mayor that an individual Commissioner be removed for sufficient cause. Failure to meet attendance requirements is one example of a cause for removal.

X. COMMISSION QUORUM

As set forth in SDMC 26.0701 et seq., eight Commissioners shall constitute a quorum authorized to transact business.

Commissioners shall not be entitled to grant proxies.

XI. COMMISSION CONFLICT OF INTEREST CODE

As set forth in SDMC 26.0701 et seq., a conflict of interest code shall be adopted for Commissioners, subject to City Council approval pursuant to Chapter 2, Article 6, Division 1 of the San Diego Municipal Code. All Commissioners shall be required to complete and file statements of economic interests in accordance with the conflict of interest code, and shall comply with all applicable ethics laws.

XII. ATTENDANCE

It is the intent of the Mayor and City Council to benefit from every Commissioner's expertise and skills. Therefore, Commissioners will attend regular monthly Commission meetings. Failure to attend at least half of the regular monthly meetings in a given calendar year, or unexcused absence from three consecutive regular monthly meetings (not including special meetings) may result in a recommendation to the Mayor that the Commissioner forfeit the position for cause.

Planned absences must be communicated to the Commission Chair prior to the meeting. The following shall be considered-excused absences:

- a. An absence due to an illness or death in the family.
- b. An absence because a Commissioner is away on authorized Commission business.
- c. An absence due to a work-related conflict that cannot reasonably be rescheduled.

XIII. COMMISSION REPRESENTATION

Under no circumstances shall any Commissioner take action, make an appearance or make a statement committing the Commission as a whole unless given authority to do so by either the Commission Chair and/or the Executive Director or unless it is clear that the Commission has endorsed the position. This does not preclude any Commissioner from speaking or appearing as a private individual, as long as that Commissioner clearly states he/she is speaking as an individual and not as a representative of the Commission.

XIV. REQUESTS FOR ENDORSEMENT

When an individual or an organization requests the recognition of the Commission in the form of an endorsement or other similar form of public support, the Commission will consider such requests through the following process:

1. The Commission's Executive Committee will review the written request from an individual or organization containing information about the presenter, the organization (if applicable), and the purpose of the request.
2. The Executive Committee will determine whether to docket the request for a hearing at a regular monthly Commission meeting.
3. The Commission will hear the request for recognition if the Executive Committee takes action to include it on the docket.
4. The Commission will take action on the request at a subsequent Commission meeting.

The Executive Committee may refer the individual or organization requesting

recognition to one of the following alternate processes for addressing the Commission:

1. Public comment – Upon submitting a speaker slip to the Chair at a Commission meeting, an individual may address the Commission for three minutes during the public comment segment of the agenda.
2. Informational presentation to the Commission – The Commission’s Executive Committee will review the written request from an individual or organization containing information about the presenter, the organization (if applicable), and the purpose of the informational presentation. The Executive Committee will determine whether to docket the informational presentation for a hearing at a regular monthly Commission meeting and the Commission will hear any presentations docketed by the Executive Committee. The Commission will not take action on informational presentations.

Letters of support may be written by Commission staff for organizations in good standing who are applying for grant funding from entities other than the Commission. These letters do not constitute endorsement by the Commission.

XV. COMMITTEES OF THE COMMISSION

The Commission will establish standing or ad hoc committees to advise on the work of the Commission. (The term “ad hoc” also means “advisory” or “special” in this context.) All Commission committees shall be conducted in accordance with the Brown Act and Council Policy 000-16. Committees do not have the authority to act for the Commission and will act subject to Commission approval. The Commission will determine the function, structure and length of service for each committee. No committee will include a quorum of Commissioners. A quorum of committee members is required to transact business. Each appointed member of a committee has one vote and all matters are decided by a majority. Committee members are not entitled to grant proxies. Minutes, or other records of proceedings, of all standing committee meetings shall be distributed to the Commission on a regular basis. Commission committees will use *Robert’s Rules of Order* to guide their parliamentary procedures.

The functions, structures, memberships and officers of the Commission’s committees will be reviewed and updated by the Commission at least once per year.

During each year in which a Commission Chair is continuing an existing term, the Commission Chair will cause the functions, structures, memberships and officers of the Commission's committees to be reviewed, updated and approved by the Commission no later than December of that year. Changes to the functions, structures, memberships and officers of the Commission's committees made through this process will take effect within 30 days.

During each year in which a Commission Chair is to be designated, the designated Commission Chair will cause the functions, structures, memberships and officers of the Commission's committees to be reviewed, updated and approved by the Commission no later than 60 days after taking office. Changes to the functions, structures, memberships and officers of the Commission's committees made through this process will take effect within 30 days.

The Commission Chair will appoint and the Commission will approve the members of each committee. When members of a committee are to be drawn from outside the Commission, the Commission Chair will make those appointments after reviewing a slate of candidates presented by Commission staff. Commission staff may prepare slates by drawing from a pool of candidates obtained through methods that include, but are not limited to, an open call for self-nominations and third-party nominations, a review of individuals who have previously served on Commission committees or panels, or a review of individuals who have previously worked on the Commission's special projects.

The Commission Chair will appoint and the Commission will approve the officers of each committee. Only Commissioners may serve as committee officers. Committee officers will be rotated regularly to ensure that each Commissioner's skills and expertise are being utilized.

Commission staff is responsible for tracking the terms and attendance of all Commission committee members.

Standing committees of the Commission advise the Commission on broad, recurring and/or consecutive issues over a continuous span of time. Standing Commission committees have continuing subject matter jurisdiction and meeting schedules fixed by formal action of the Commission. Standing Commission committees will be initiated for a term of at least one year and may continue indefinitely. Standing committees are authorized to develop operating guidelines beyond the committee descriptions contained herein. Any such operating guidelines will be developed on an as-needed basis and with input from Commission staff. Any such committee operating guidelines

require the approval of the Commission, but are not considered part of these Rules and Regulations. All standing Commission committees are authorized to designate subcommittees.

Ad hoc committees advise the Commission on special and/or short-term issues and projects and are disbanded upon resolution of the issue or completion of the project. Ad hoc Commission committees do not have continuing subject matter jurisdiction nor do they have meeting schedules fixed by formal action of the Commission.

All Commission advisory panels shall be conducted in accordance with the Brown Act and Council Policy 000-16, Open Meetings. Panels do not have the authority to act for the Commission and will act subject to Commission approval. The Commission will determine the function and structure for each panel. Panel composition is sustained for the duration of a single project and then subsequently renewed for the next project. The purpose of the panels is to engage a diverse and evolving range of constituents in the Commission's processes. Commission staff is authorized to develop panel operating guidelines for the Commission's approval, but any such panel operating guidelines are not considered part of these Rules and Regulations. All members of Commission advisory panels shall be recommended by Commission staff, appointed by the Commission

Chair and approved by the Commission and need not necessarily be Commissioners. Panel members are not entitled to grant proxies. Panel members are subject to applicable conflict of interest laws and regulations. Records of the proceedings of all panel meetings shall be distributed to the Commission on a regular basis. The Commission will request and receive advice from panels following the conclusion of a project to gather feedback for use in evaluating policies and programs.

XVII. COMMISSIONER VISITS TO CITY-FUNDED NON-PROFITS

The duty and function of the Commission to advise the Mayor and City Council on equity, transparency, diversity, participation and access are informed by the Commissioners' awareness of San Diego's arts and culture sector in context. To this end, Commissioners are responsible for visiting the non-profit organizations that receive funding from the City and for experiencing the programs and services produced by these organizations. These site visits, informally dubbed "Goodwill Visits," are intended to support the achievement of the following goals:

1. Enhance Commissioners' familiarization with the City-funded non-profits that produce San Diego's arts and culture offerings;
2. Provide the City-funded non-profits with face-to-face opportunities to communicate directly with Commissioners;
3. Facilitate educational exchanges between Commissioners and the boards and staffs of City-funded non-profits; and
4. Visit each City-funded non-profit organization once every three years.

These Goodwill Visits are not "inspections." Nor are they forums for Commissioners to advise City-funded non-profits on what they "should do" or opportunities for non-profits to solicit individual monetary donations from Commissioners. The results of the Goodwill Visits shall not be considered as material evidence during the evaluation of funding applications from the organizations visited.

Each Commissioner is required to conduct two Goodwill Visits per year. However, it is recommended that each Commissioner conduct three or more Goodwill Visits per year in order to achieve the Commission's goal of visiting each City-funded non-profit once every three years. Goodwill Visits will be assigned and tracked by Commission staff. Commissioners will be asked to schedule the visits and prepare in advance for each Goodwill Visit by reading the most recent funding application submitted by the organization to be visited. Commission staff may accompany Commissioners on Goodwill Visits and may suggest specific topics on which to focus during the Goodwill Visits.

A Goodwill Visit is comprised of all the following activities:

1. The experience of a program or service produced by the organization being visited (e.g. festival, parade, exhibit, performance, etc.)
2. A conversation with key leaders in the organization (e.g. Executive Director, Artistic Director, Chief Operating Officer, Board President, etc.). Topics Commissioners will address in each conversation include:
 - a. What the Commission should know about the City-funded organization today.
 - b. How is the City-funded non-profit organization succeeding?
 - c. How could the City-funded non-profit organization improve?
 - d. What the City-funded non-profit organization should know about the Commission today.

- e. How does the City-funded non-profit organization think the Commission is succeeding?
 - f. How does the City-funded non-profit organization think the Commission could improve?
3. Preparation of a summary of the experience and conversation. The summary should be written in a form provided by Commission staff. The summary shall objectively reflect what was experienced and observed. The summary shall not include any subjective analysis. Commissioners may collect photos or videos, if given permission by the organization.
 4. A brief oral presentation of the summary to the Commissioners at a regular meeting of the Commission. Key leaders from the organization visited will be invited to attend the Commission meeting when such a presentation is given.
