

Linda Vista Planning Group (LVPG)

The Linda Vista Planning Group is officially recognized by the City of San Diego to advise and make recommendations to the City Council, the Planning Commission, City staff, and other governmental agencies on land use matters relating to the greater Linda Vista community.

The Linda Vista Planning Group created an ad hoc subcommittee on the development of the Riverwalk Golf Course that is in Mission Valley and borders Linda Vista. This ad hoc subcommittee is tasked to work with the Mission Valley Planning Group and the developer on issues of mutual community interest such as traffic, parking, pedestrian access and safety, and other relevant planning matters, and to make regular reports to the LVPG.
