Gentlemen:

Your valuable assistance in the recent campaign to stop Assembly Bill 1951 which would have eliminated the San Diego Annual Yellowtail Fishing Derby is deeply appreciated by San Diego Junior Chamber of Commerce and its Yellowtail Derby Committee. The motivating force of the Derby from its inception has been to spotlight one of San Diego's outstanding attractions-- excellent salt-water sportfishing. Your action heartened us tremendously and evidence that we were accomplishing our purpose.

We have, through your help, temporarily stopped legislation that would have killed our Derby. However, we feel that the forces behind AB 1951 may in the future again endeavor to promulgate action endangering the Derby, thus discriminating against San Diego business. By your action we know that we can count on your help whenever needed to preserve this attraction and the industry involved.

We sincerely thank you for your sportsmanship and civic demonstration.

Sincerely yours,

SAN DIEGO JUNIOR CHAMBER OF COMMERCE
