## **SAN DIEGO'S BUILDING OWNERS & MANAGERS ASSOCIATION TO GIVE BACK IN A BIG WAY** *Councilmember Cate Facilitates Donation of 80 Cubic Yards of Mulch for San Diego Center for Children*

San Diego, CA: The [San Diego Building Owners and Managers Association \(BOMA San Diego\)](#) is a professional association committed to advancing the interests of the commercial real estate industry by developing the careers of its members through leadership opportunities, legislative advocacy, education, and networking. Founded in 1963, BOMA San Diego is the largest local professional association devoted exclusively to the commercial real estate industry. BOMA San Diego has over 300 members representing all facets of the industry including property managers, facility managers, owners, asset managers, engineers, and leasing brokers.

Located in Kearny Mesa, the [San Diego Center for Children](#) is San Diego's oldest children's nonprofit. For more than 134 years, the San Diego Center for Children protects the joy of childhoods, prevents emotional suffering, and incites change.

"As the Councilmember with The Miramar Greenery in my district, I was happy to be able to secure 80 cubic yards of mulch to support BOMA San Diego's efforts. I applaud BOMA and their members for supporting this amazing nonprofit organization," stated Councilmember Chris Cate, District 6.

The City of San Diego has a highly engineered resource recovery park, called [The Miramar Greenery](#), that is actively composting food scraps, converting green waste into sellable landscape products, and turning byproducts of decomposition into energy. The Miramar Greenery offers various products such as compost, mulch, and wood chips, to note a few.
