SAN DIEGO TO DEDICATE 7900 BLOCK OF AERO DRIVE AS DEEGAN & STEPHEN LEW DRIVE *Convoy District to Welcome the First Public Street Sign in the City with a Chinese-English Translation*

San Diego, CA: The City of San Diego is home to a vibrant, grand, and growing Asian American community. One in every three residents in San Diego's Sixth Council District is of Asian Pacific Islander descent. Located in the heart of Kearny Mesa is the Convoy District. The [Convoy District](#) is among the largest Pan-Asian [business districts](#) in the nation.

The Lew family are successful business owners and long-time San Diegans, with their company, S.Lew & Associates, headquartered in the Convoy District. Both Lew children, Deegan and Stephen, were incredibly active civically, culturally, and philanthropically. Sadly, Dr. Deegan Lew died in 2013. Deegan's younger brother, Stephen Lew, passed away earlier this year. To honor their memories and pay homage to Deegan and Stephen's countless contributions made to San Diego, the City will be dedicating the 7900 block of Aero Drive in the Convoy District as Deegan and Stephen Lew Drive.

“San Diego is a better, more kind, and compassionate place because of Deegan and Stephen. As an Asian American and friend of the Lew family, I am so proud that the city's first Chinese-English translated sign will be for Deegan and Stephen Lew in the Convoy District,” stated Councilmember Chris Cate, District 6.
