Serra Cooperative Library System is a network of public libraries in the southern California counties of Imperial and San Diego. You can find your local library to discover services and programs available throughout the region. Our goal is to work collaboratively with each other to provide materials and shared services when possible. We are a special district of the State of California, with funding primarily from the State, but augmented through member contributions and grants. For more info visit: <https://www.serralib.org/>
