County Clerks Document Nº 3000-A

MAP OF PUEBLO LOT 1121

OF THE PUEBLO LANDS OF SAN DIEGO

AS PER MAP BY JAMES PASCOE

The original Sanford Map Tracing of Pueblo Lot 1121, Filed April 14, 1894 (S.C. Case Nº 5014) in the Office of County Clerk of San Diego County, California, became somewhat worn from use. On September 15 th, 1911, what was supposed to be a duplicate map was prepared and Filed as Map Nº 3000 in the said office of the County Clerk. In 1941 and 1942, as the Western portion of the lands involved in the original Superior Court Case Nº 5014 was being re-subdivided (Rodefer Hills), the 1911 duplicate map (Map Nº 3000) and another map filed in the Office of the City Engineer, known as file Nº 126, were both Found to be inaccurate - not exact copies of the original Sanford map - and therefore unreliable for reference. The annexed map shown within the inner border on this sheet has been prepared and compared and is filed as a reference map so that the original linen tracing still on file with the County Clerk may be preserved for future reference. No part of this map is a photographic reproduction of any other map.

DATE February 16 1942

Registered Civil Engineer

James Pascoe was City Engineer in 1870. This Map was made at the direction of Board of City Trustees May 1870 and is filed in the office of the City Clerk, City of San Diego, a copy of which is filed in the office of the County Recorder of San Diego County as Misc. Map Nº 36.
