YOUTH CONTRACTUAL PROGRAM

Lil People Programs

(Independent Contractor)

Junior Explorers

Lil People Programs offers a unique and dynamic place for children just starting out. Junior Explorers is a class designed for children ages 2.5 to 4 years old. Children are able to learn and practice general classroom routine and rules. They also have the opportunity to express their creativity and learn pre-school basics such as letter, color, number, and shape recognition. Through games, arts & crafts, songs, and stories we help develop physical coordination and encourage social interaction. Our teachers understand children need an opportunity to explore new horizons while learning about the world around them. Our class schedule provides time for the children to explore, socialize, and learn.

Lil Learners

Our Lil Learners class is a great balance between learn and play. This is the perfect way to get your child ready their next “big kid step”! This class is best for children ages 3.5 to 5. Lil Learners is designed to offer a variety of activities that encourage exploration and preparation for future learning opportunities. It is also of course a great way for your child to learn the basics of participating in structured group activities such as routine and rules, as well as peer socialization. Our activities stimulate cognitive, physical, and emotional development. The Lil Learners’ daily schedule provides opportunities to build confidence and independence while learning how to cooperate and effectively communicate with friends.
