PARK AND RECREATION STAFF REPORT

Ms. Martinez reported our temporary maintenance contract has been extended through May 2021 and the 5-year Contract is being reviewed right now so it can be sent out for bids. She provided updates on the recreation centers remaining closed until we get into the orange or yellow tier. She informed the Spring Canyon Playground is outdated and parts can no longer be replaced. Since there is no funding to replace the playground, she will be looking it into removing the playground and converting the area into a nature play area. When asked about the MADs summer Field closures, she stated the closures are final and will be happening this summer. As for the Scripps Area field closures, she stated those are still tentative and will be finalized in the next couple of months.
