Mission Statement

Our Mission is to make the San Diego public aware of the service the Coast Guard provides and make the members of the Coast Guard aware of all of the resources our community has to offer.

Coast Guard City Charter

Purpose: The Coast Guard City Executive Steering Committee (ESC) will develop and execute city sponsored events and promotions that honor San Diego strong affiliation with the Coast Guard and to uphold and ensure that San Diego maintains its designation as a Coast Guard City by demonstrating the City of San Diego's commitment to its relationship with the Coast Guard leading up to its evaluation in 2021.

Duration: This Charter will remain valid while San Diego maintains its designation as a Coast Guard City in accordance with the review requirements conducted by the Department of Homeland Security and the United States Congress.

Scope: Executive Steering Committee membership is only open to state, county, and city officials and other governmental organizations. Contributing members or sponsorships in support of specific events or campaigns may include ESC members and commercial organizations. Specific events may include large scale races, regattas, concerts, galas, among other events, as well as small scale promotions, merchandise and advertising.

Desired Results: The ESC will strive to execute a minimum of 3 large scale Coast Guard focused events during the year with monthly small scale events during the first year of celebration for Coast Guard City.

Constraints/ Assumptions/ Legality:

Reporting Plan: The Sector San Diego Public Affairs Officer will be the primary liaison between the ESC and the Coast Guard and can be reached at (619) 278-7020
