These data are based on maximum beds in the system and do not account for beds that are temporarily offline due to COVID mitigation measures, such as social distancing or isolating in place. Additionally, given the varying family sizes served in the Golden Hall Families with Children shelter, and the shelter bed composition, there may be instances in which a bed is left vacant but is not available as the operator strives to keep households together in their assigned living areas.

Wellness Initiative

As part of SDHC’s broader efforts to address workforce challenges and build capacity of the homelessness services sector, SDHC is developing a Wellness Initiative for this sector. This initiative is to further efforts to support the industry in strengthening and retaining a homelessness services workforce. The initiative is being developed with feedback from frontline staff and provider leadership advisory groups that SDHC facilitates, in addition to support from SDHC’s partners from the Homelessness Program for Engaged Educational Resources (PEER). The approach for developing the initiative includes conducting a survey to better understand the needs of staff in the homelessness services sector, sharing wellness and self-care resources, and leveraging existing resources to support wellness activities. SDHC invested in recruiting a Human and Social Services Intern to support the development of this initiative. This intern joined SDHC in July.

Rental Housing Vouchers Committed to Addressing Homelessness

5,233 Vouchers Committed (Includes developments pending completion)

3,875 Rental Housing Vouchers Leased

**Regional Housing Needs Allocation Goals and Progress**
Federal

- Summer Recess
  - House of Representatives: July 29 – September 12
  - Senate: August 5 – September 5

- SDHC met with Senator Padilla's office to introduce SDHC to the Senator's new staff member focused on housing and homelessness.

- SDHC submitted letters of support for housing and homelessness-related legislation, including:
  - S.2182, (Sens. Portman and Bennet) **The Eviction Crisis Act**, and **the Stable Families Act** (Reps. Torres and Gomez) are companion pieces of legislation that would establish a new, national Emergency Assistance Fund – funded at $3 billion annually – to help stabilize extremely low-income households nationwide.
  - HR 8213, (Rep. Peters) **The Fair Housing Improvement Act**, would add “source of income,” as well as military and veteran status, to the list of protected classes under the Fair Housing Act.
  - On August 5, SDHC sent a letter to California's U.S. Senators Dianne Feinstein and Alex Padilla, requesting their support for language in the Fiscal Year 2023 appropriations legislation that would prevent the U.S. Department of Housing and Urban Development (HUD) from making unilateral changes to the Annual Contributions Contract (ACC). ACC is the written contract between HUD and public housing authorities by which HUD provides the funding for housing assistance payments and administrative expenses.
  - On August 10, SDHC sent a letter to HUD Secretary Marcia Fudge, highlighting San Diego's success in quickly allocating Emergency Housing Vouchers (EHV) and requesting additional EHVs during reallocation nationwide later in the year.

State

- California State Legislature returned from Summer Recess on Monday, August 1.

- SDHC Board of Commissioners Chair Eugene “Mitch” Mitchell submitted a letter requesting funding for a number of items for the Fiscal Year 2023 state budget, including $2.6 million for a safe camping pilot program and $5.3 million for preservation of existing affordable rental housing units.

- SDHC submitted floor alerts for housing and homelessness-related legislation, including:
  - AB 1816 Asm. Bryan) Creates a competitive **Reentry Housing & Workforce Development Grant Program** to fund evidence-based housing, support services, and workforce development programs for people who were previously incarcerated in state prisons and who are experiencing homelessness or at risk of homelessness.
  - AB 2006 (Asm. Berman) Directs three state agencies – the Department of Housing and Community Development, the California Housing Finance Agency, and the California Tax Credit Allocation Committee – to streamline compliance monitoring on affordable housing developments, thereby eliminating the submittal of duplicate information and providing a single process to obtain required approvals.
