

Discover Your Library

June - August 2016
Summer Edition

SD Public
Library

Library Director **Misty Jones**

This is going to be an exciting summer. This quarter's Discover Your Library is just a sampling of all the exciting events that will be happening in all of our library locations from June through August. Make sure to check out the website to see all of the events.

This year's Summer Reading program kicks off on June 15 with the theme Read for the Win. Last year we had over 38,000 participants and we expect more this year. We will have tons of exciting programs throughout the summer for kids, teens and adults. We will also be offering our Do Your Homework @ the Library Summer Learning Camps again. Where else can you find **FREE** summer camps like *Welcome to the Zoo*, *Space Rangers Explore*, *Rokenbok Robotics* and *SAT Prep Camp*.

Is baseball your thing? The All Star Game will be right here in San Diego and of course SDPL will be joining in on

the fun in partnership with the Society of American Baseball Research. And speaking of partnerships, our partnership with Comic Con International will be expanding to include special programs for everyone exploring how comics and graphic novels can be used to further education and literacy for all ages.

We have all been anxiously waiting and on June 4, William will finally be in the building. William Shakespeare that is. The Old Globe and the San Diego Public Library were selected last year to co-host the only stop in California for First Folio! The Book that Gave Us Shakespeare, on tour from the Folger Shakespeare Library, a national traveling exhibition commemorating the 400th anniversary of Shakespeare's death. So make sure to experience the First Folio in the Art Gallery and explore Shakespeare Lives Here, The Central Library's floor by floor discovery of how Shakespeare's influence is evident in popular as well as high culture.

Can't wait to see you all at your San Diego Public Library!

A handwritten signature in blue ink that reads "Misty Jones".
