The Zoom Application;

Downloading the Zoom application to your device provides for the best results. You can register for free. If you are unable to download and run the Zoom application for this meeting, you can choose "Join from your web browser" upon joining the meeting, which does not require downloading any plugins or software. Google Chrome is the recommended web browser.

The Participants button is at the bottom center of the Zoom video screen. Use this button to get both a list of participants and to expose the "Raise Hands" feature at the bottom control panel.

Joining the Meeting at the Scheduled Time;

Meeting participants will initially be admitted into the meeting "waiting room". The Chair or staff will move participants from there to the meeting itself. When you enter the meeting, all participants will be muted unless otherwise directed by the Chair. Leave your device muted during the meeting; this helps keep extraneous background sounds from interfering with the meeting.

Providing comments on non-agenda public comment and agenda items:

By Zoom: Participants will be muted on entry, and will need to “raise their hands” by using the “Raise Hands” feature to be recognized by the Chair to speak.

By phone: Send an email to Marlon Pangilinan at MPangilinan@sandiego.gov with your name and the item you want to address over the phone, so you can be unmuted.

By email: Send an email to Marlon Pangilinan at MPangilinan@sandiego.gov with your name, the item and the comment prior to the item being heard, so that your comment will be read into the meeting.

Questions or Technical Issues:

If you have any questions or technical issues prior to the meeting beginning, please contact Marlon Pangilinan at MPangilinan@sandiego.gov up to 15 minutes prior to the meeting for assistance. More comprehensive instructions how to join a Zoom meeting and how to test your computer or smartphone setup are available should you need them at:
