Pokémon Engineering using LEGO Materials: Join Ash and Pikachu as you build, capture, train, and explore the vast world of Pokémon with tens of thousands of LEGO parts. Design your own Poké Balls, explore the Kanto region, and fly with Charizard. Explore engineering through the fun world of Pokémon with the guidance of a Play-Well instructor.

This program is being offered through the Come Play Outside partnership between the City of San Diego, County of San Diego, Price Charities and the San Diego Parks Foundation. Scholarships are available based on financial need. Please contact the center for details.
