Participants will experience the enjoyment of playing on a team as a character-building activity without the pressure of a highly competitive program. We strive for participation, physical fitness, fair play, positive sportsmanship, and game skills. We will be introducing a variety of sports.

This program is being offered through the Come Play Outside partnership between the City of San Diego, County of San Diego, Price Charities and the San Diego Parks Foundation. Scholarships are available based on financial need. Please contact the center for details.
