Read each pass for additional details.*

Read-A-Thon

Join us in a community goal to complete 250,000 learning experiences by the end of August. Learning experiences include reading and completing the library's literacy-based activities. The San Diego Public Library Foundation will donate \$10K to support library youth programming. All you need to do is sign up for the Summer Reading Program and log your summer learning activities and they will automatically count towards the Read-A-Thon.

*Participants who are unable to log their reading, hours and/or activities on the website can receive assistance from library staff. Please call a local SDPL location offering limited in-person or contactless pickup services.

READING COLORS YOUR WORLD
