### STAFF RECOMMENDATION:

Recommend to the City of San Diego Commission for Arts and Culture (Commission) that the Executive Director of the Commission accept the final artwork proposal by Einar and Jamex de la Torre in fulfillment of the City of San Diego's (City) collecting mission, collection scope and accession criteria as established in Section 5 – Collecting Mission, Section 6 – Scope of the Collection and Section 8.2 – Accession Criteria of the Commission for Arts and Culture Department Instruction 1.00 – *Collection Management Policy for the Civic Art Collection*.

### SUMMARY:

Artists Einar and Jamex de la Torre were selected through a competitive process to design, fabricate and transport permanent, site-specific artwork for San Ysidro Branch Library and consult during installation of artwork at the site by the City. Turner Construction Company/SVA Architects, Inc., the prime contractor/consultant designing and constructing the new library to be located at 123 East Seaward Avenue in San Ysidro, have collaborated with the artists.

On April 7, 2017, the de la Torres presented their preliminary artwork idea to the Public Art Committee (PAC) for feedback. PAC also provided feedback on the artists' schematic artwork proposal on July 7, 2017. In addition to PAC's feedback, the final artwork proposal is informed by suggestions from City's Library Department, other various City departments and the San Ysidro community.

### FISCAL CONSIDERATIONS:

This project is funded by the City of San Diego as set forth in *City of San Diego Council Policy 900-11 - Inclusion of Public Art in Selected Capital Improvements Program Projects*.
