**RULES COMMITTEE APPROVED COUNCILMEMBER WARD'S
MOTION TO ADVANCE PROPOSED HOUSING BOND**

SAN DIEGO, CA – San Diego Councilmember Chris Ward (District Three) issued the following statement after Rules Committee voted to move this proposal forward for analysis and review.

“The proposed housing bond is a critical step in our efforts to provide San Diegans relief from our housing and homelessness crises by providing the homes our most vulnerable families need,” said Councilmember Ward.

“These issues touch every San Diegan, and we have a responsibility to present the voters with a strong opportunity to provide local investment in attainable and affordable housing for all income levels and high-quality jobs for working San Diegans.

“I want to thank the Rules Committee for supporting the item moving forward and for working to put housing in reach of every San Diegan.”
