COUNCILMEMBER WARD ADJOURNS FINAL SELECT COMMITTEE ON HOMELESSNESS

SAN DIEGO, CA – Councilmember Chris Ward (District Three) issued the following statement after chairing the final Select Committee on Homelessness.

“This Select Committee has excelled in framing the issues before us, identifying critical gaps in our systems, and moving forward innovative programs which will go on to improve our ability to end chronic homelessness in our City,” said Councilmember Ward.

“It has been an honor to serve as Chair of this committee and work alongside dedicated colleagues as we acted on both short - and long-term solutions. Our work to address homelessness is far from complete and I look forward to working within the Council’s standing committee structure to achieve policies which will continue to move San Diegans in crisis, off our streets and into safe, stable homes.”
