

Bugs Inside Out!

A local entomologist (scientist who studies bugs) teaches all about bugs! learn about their survival strategies, observe and study bugs with microscopes, and more.

De-Bugging Coding

Learn how computer programs are created--CODING! Learn basic computer programming and gain understanding of how our modern world works in this fun and exciting workshop.

Bee Builders

Local Beekeeper, Hilary Kearney, will provide an interactive presentation teaching children what a beekeeper does and explores the concepts of pollination, beehives and bees' lifecycles.

Sunshine in a Jar

Discover how energy from the sun is harnessed into energy used to light our homes. Design and create an environmentally friendly light using mason jars and solar energy light bulbs.

Paper Insects

Develop an understanding of 3D shapes and explore the finer details of spatial geometry through origami in this hands-on workshop.

Circuit Bugs

Children will incorporate fine motor, circuitry and creative crafting skills to create bugs out of pipe cleaners, LED lights, and batteries.

The Catalog of Life @ the Library effort is part of a Library initiative to bring **STEAM** programs to the San Diego Public Library.

Spring into STEAM is geared towards students age 9 to 12 and will feature free, hands-on science programs in March, April and May. Inspired by Catalog of Life, these programs will include entomology, coding,

bioengineering and other science subjects centered around a bug theme.

SPARHprogramming

March - May 2017

This Spring, the San Diego Public Library will launch its first annual STEAM program:

We challenge children to attend all six of the hands-on events that we are offering throughout our 36 Library locations.

Geared towards ages 9-12.

collection of insect samples rich diversity of life.

SDPL is working with the Participants have a chance Catalog of Life @ the Library, to add new species to the and citizen scientists like catalog; only 1/5th of species **YOU** to launch a regional have been DNA barcoded, and your contributions are to represent our region's important to monitoring global climate change!

Contact your local branch library or www.sdpl.net for more details

Bugs Inside Out!

March 11 • 11:30 a.m. Paradise Hills

March 18 • 11 a.m. Valencia Pk/Malcolm X

April 8 • 4 p.m. Mission Valley

April 21 • 4 p.m. Mira Mesa

April 26 • 2 p.m. Balboa

April 29 • 10:30 a.m. Rancho Bernardo

May 13 • 11 a.m. Kensington-Normal Heights

May 13 • 1 p.m. Otay Mesa-Nestor

Bee Builders

March 8 • 3:30 p.m. Carmel Valley

March 16 • 3 p.m. Logan Heights

March 28 • 6 p.m. Serra Mesa-Kearny Mesa

April 11 • 3:30 p.m. Pacific Beach/Taylor

> April 17 • 4 p.m. College-Rolando

May 4 • 4 p.m. Scripps Miramar Ranch

De-Bugging Coding*

March 8 • 4:30 p.m. Skyline Hills

March 11 • 3 p.m. Central Library

March 14 • 4 p.m. **University Community**

March 23 • 3 p.m. Tierrasanta

March 28 • 3:30 p.m. Clairemont

April 17 • 3 p.m. Point Loma/Hervey

May 9 • 5:30 p.m. City Heights/Weingart

May 11 • 3 p.m. Carmel Mountain Ranch

May 17 • 5:30 p.m. San Ysidro

Sunshine in a lar*

April 4 • 12:50 p.m. Linda Vista

April 18 • 4 p.m. Allied Gardens/Benjamin

April 26 • 3:30 p.m. Rancho Peñasquitos

May 2 • 4 p.m. Mtn. View/Beckwourth

Paper Insects*

March 11 • 1 p.m. San Carlos

March 18 • 1 p.m. Ocean Beach

March 25 • 1:30 p.m. North University Comm.

May 13 • 10 a.m. **University Heights**

Circuit Bugs*

April 4 • 3:30 p.m. La Iolla/Riford

April 13 • 4 p.m. North Clairemont

May 2 • 5 p.m. Oak Park

May 4 • 12 p.m. North Park

May 8 • 9:30 a.m. Mission Hills

Kickoff Event

March 2nd • 11am-1pm • Valencia Park/Malcolm X Library

This event will feature special guest speakers, a performance by The League of Extraordinary Scientists and a hands-on activity.

Award Ceremony

May 13 • 10am-12pm • Central Library: Neil Morgan Auditorium

Celebrate and honor our STEAM Champions of Bug Out! Stick around to enjoy a cool insect themed activity
