### STREET VENDING ORDINANCE COMING TO COUNCIL DECEMBER 14<sup>th</sup>

SAN DIEGO – Council President Jennifer Campbell will docket a street vending ordinance to be voted on by the San Diego City Council on December 14<sup>th</sup>. Below is her statement on her proposed ordinance:

**Since 2019, my office has made an effort to tackle the issue of regulating vendors and welcoming them into the formal economy. After many conversations with community members, stakeholders, and enforcement agencies, I am proud to announce that I will be bringing forward a new street vending ordinance on December 14th.**

**After receiving critical input from everyone this issue touches, I believe this ordinance will balance the needs of residents, vendors, and our public spaces.**

**I support the entrepreneurial spirit of individuals and families that do what they can to make a living but want to ensure our parks, beaches and plazas across San Diego remain open for everyone to enjoy.**

**I look forward to bringing this ordinance to City Council and addressing this crucial issue for San Diegans.**

*Council President Jennifer Campbell represents San Diego's Second Council District including the communities of Bay Ho/Bay Park/Morena, Midway/North Bay, Mission Bay, Mission Beach, Ocean Beach, Pacific Beach and Point Loma.*
