

Summer 2015 and 2016 Participation

*"I learned many things from this year's Summer Mentoring Program. Skills I learned throughout my time here are communication, how to work Excel, and responding to emails in a formal letter. In addition, I made **great connections** with wonderful people!"*

-Shannon, Human Resources

*"**Inspiration**, loyalty, friendship, hope."*

-Nolan, Park & Recreation

*"I learned that working with the City is a very **rewarding experience**. There are many departments and positions that I was not aware of, but there are very valuable to the City of San Diego."*

-Tara, Fleet Services

*"Everyone needs to **work together to succeed**."*

-Marlena, Purchasing and Contracting

*"Effective communication and sharing are **keys to succeed** in the working environment. Overall the City does so much!" -Xiran, Development Services*

*"Being a mentee has helped me learn about practical work skills. You need to have **determination and patience**."*

-Carlos, Development Services

*"This summer has been fantastic. I've added **more skills than I could imagine** to my repertoire... I'm walking away with more knowledge about the world and how it works."*

-Catrin, Public Utilities

Bite of Reality Financial Literacy

- with California Coast Credit Union

Creating an Elevator Pitch and Interview Skills

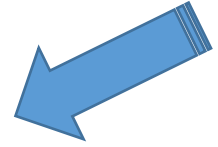

- with Connect2Careers
