I. Objectives

- Act with the highest regard for what is in the best interest of the community of San Ysidro and the City of San Diego, in good faith and without prejudice, and to refrain from conduct that is detrimental to the community planning group or its purposes.

- Diligently carry out those responsibilities in City Council Policy 600-24 and our bylaws. We will make recommendations to the City Council, Planning Commission, City staff, and other governmental agencies on land use matters, especially when they are concerning the preparation of, adoption of, implementation of, or amendment to, the General Plan or any land use plan. The SYCPG may also choose to advise on other land use matters affecting the City of San Diego and/or another governmental agency.

- Insure that all development projects presented will focus on conformity with the Land Development Code, the adopted San Ysidro Community Plan and the City of San Diego General Plan so that a formal planning group recommendation can be submitted, whenever possible, before the end of the public review period offered by the environmental review process.
SYCPG will, as needed, continue its representation to, and provide reports from, the following:

- San Ysidro Smart Border Coalition
- Community Planners Committee
- Otay Mesa Planning Group
