Helpful Hints:

Downloading the Zoom app to your device seems to give the best results. You may register for free and minimize the amount of follow-up emails by choosing your email notification preferences.

The participants bottom is at the bottom center of the Zoom video screen. Use this button to get both a list of participants and to find the “Raise Hands” feature at the bottom.

Leave your device muted during the meeting; this helps to prevent extraneous background sounds from interfering with the meeting.

If you are unable to attend the event, you can still share your opinion through October 26, 2020 by visiting the link below or scanning the code.
