

TOTAL TOXIC ORGANICS (TTO) CERTIFICATION

City of San Diego Public Utilities Dept
Industrial Wastewater Control Program
9192 Topaz Way, San Diego, CA 92123
(858) 654-4100

Applicability: These instructions apply to any industry whose Industrial User Discharge Permit Attachment B, Self Monitoring and Reporting Requirements, includes "Certify TTO/TOMP implemented". In lieu of monitoring for TTO, the following statement must be signed as required in the permit under STANDARD CONDITIONS, **Signatory Requirements**.

TTO Certification: In lieu of analyzing for Total Toxic Organics (TTO), the following statement must be certified and signed by an authorized representative of the industry and submitted with each self-monitoring report form:

“Based on my inquiry of the person(s) directly responsible for managing compliance with the permit limitations (or pretreatment standard) for Total Toxic Organics (TTO), I certify that, to the best of my knowledge and belief, no dumping of concentrated toxic organics into the wastewaters has occurred since the filing of the last discharge monitoring report. I further certify that this facility is implementing the toxic organics management plan submitted to the IWCP.”
