

City of San Diego

On June 22, 2016, the San Diego City Council adopted the **Neighborhood Parking Protection Ordinance** that restricts overnight parking of “oversized vehicles, non-motorized vehicles and recreational vehicles”. This ordinance is authorized by Sections [86.0139 through 86.0143 of the San Diego Municipal Code](#).

Oversized vehicles are defined as any vehicle, including any attached trailers, vehicles or loads thereon, that exceed 27 feet in length AND 7 feet in height. Non-motorized vehicles include open and closed trailers with or without loads.

Permits are Required

Residents may use an automated permit system to obtain an overnight permit for recreational vehicles of any size. Individuals must offer proof of residency in advance of purchasing a 24-hour permit. Permit applicants – once confirmed by City staff – may purchase up to three consecutive permits (72 hours). Applicants may purchase up to 72 days of permits per year. **The permit is valid only on the same block as the resident’s address.**

Recreational Vehicles are defined as “any camp trailer, camper, trailer coach, or house car,” in the Vehicle Code, or, “any boat, dune buggy, all-terrain vehicle (ATV) or other motorized or towed vehicle designed, maintained or used primarily for recreational purposes.”

Recreational vehicles and trailers like these are subject to permit requirements

****Effective July 21, 2016 no prior written warning is required to enforce violations of this ordinance. A violation of this ordinance will levy a \$100 fine to vehicle owners.***
