SUBJECT: Transnet Funding Priorities for Five Year Program

I would like to request the following subjects for examination and potential allocation of TransNet Funds:

- College Area – Comprehensive mobility study for El Cajon Boulevard from 54th Street to 73rd Street.
- College Area – Replace/install sidewalks along El Cajon Boulevard south and north sides between 54th Street and 73rd Street.
- City Heights – Streetlights in City Heights Crime Hotspots (27 total). See attachment 'A.'
- City Heights – Sidewalks on Euclid Avenue, from Dwight Street until Euclid Avenue becomes Home Avenue. This is part of the Euclid Avenue Revitalization Action Plan (proposed in 2002).
- City Heights – Sidewalk and Lighting Improvements on Euclid Avenue (from Monroe to Thorn), and Fairmount Avenue (from Dwight to Maple). POC is Duncan Hughes, Traffic Engineering.
- City Heights – Sidewalks on 3000 block of Euclid Avenue. Add sidewalks North side of Euclid Avenue, from Home Avenue to Altadena Avenue.
- City Heights – 52nd Street and Landis Street. Install sidewalks where now missing.

- City Heights – 43rd Street from Myrtle Street to Fairmount Avenue. Install sidewalks where now missing.
- City Heights – Transit Plazas on I-15 bridge decks at University Avenue and El Cajon Boulevard.
- El Cerrito – Traffic circles at two intersections: 60th/Vale/Estelle and 59th/Vale/Adelaide. Traffic circles approved. POC is Gary Pence in Traffic Engineering.
- El Cerrito – Roadway rehabilitation – Adams Avenue from 54th to 59th. Concrete street requires new concrete panels. POC is Walter Gefrom in Street Division.
- Kensington / Talmadge – Comprehensive study of traffic improvements for the Aldine Drive and Monroe Avenue intersection.
- Redwood Village – Implement the recommendations of the Chollas Triangle Study. POC is Esmeralda White, Traffic Engineering.
- Rolando/Redwood Village – Implement the recommendations of the University Avenue Mobility Study. POC is Esmeralda White in Traffic Engineering.
- Southeastern – Study of the unpaved alleyways in the Mount Hope area to develop solutions and priorities.
