

To The Honorable The Common Council of the City of San Diego, Cal.

Gentlemen:

We the undersigned keepers and owners of Saloons of the City of San Diego earnestly petition your Honorable Body to continue the licence of \_\_\_\_\_ at Twenty five (\$25.) per month. Knowing that she is a widow and in reduced circumstances and that this is the only way that she can make a living for herself and two children we deem it an act of great charity on the part of the Common Council to grant our petition. The saloon kept by Mrs. Maginn is a great way out on India Street where business is barely enough to make the means of subsistence. Hoping our request will be granted we remain,

Very Respectfully,
