Dr. C. M. Hoole, Jr., Mayor
J. M. Ashely, City Clerk

THAT WHEREAS, under date of November 22nd, 1939, the United States Engineer Office, of Los Angeles, California, mailed to Mayor P. J. Benbough the following communication:

"War Department
UNITED STATES ENGINEER OFFICE
751 South Figueroa Street
Los Angeles, Calif.

November 22, 1939.

Subject: San Diego River survey report (flood control).

To: Honorable P. J. Benbough,
Mayor, City of San Diego,
Room 352, Civic Center,
San Diego, California.

My dear Mayor Benbough:

The report on the above subject is nearing completion, and therefore it is desired that you appoint a committee consisting of three or four members, with authority to officially examine and approve the San Diego River flood control plans. The date of the conference to be held in this office can be arranged later but it is believed this matter should be decided and that the meeting should be held on or before December 11.

It is understood that the city of San Diego will sponsor the improvements and submit a resolution to that effect, such resolution to contain a statement concerning the extent of cooperation to be furnished by local interests. It is suggested that a form of resolution be prepared and submitted to this office by your committee at the time of said meeting, and with the understanding that, if necessary, it will be revised by your committee after full discussion of the plan of improvement.

Very truly yours,

(Signed) EDWIN C. KELTON
Edwin C. Kelton,
Lt. Col., Corps of Engineers,
District Engineer."

and

WHEREAS, at a conference held in the Mayor's Office at ten o'clock A. M., on December 4th, 1939, to consider the suggestions contained in said letter, it was determined that in lieu of any official act of this Council being submitted to said Engineers in Los Angeles on December 11th, that a committee of four attend said meeting for the purpose of discussing further

plans of financing said project; NOW, THEREFORE,

BE IT RESOLVED By the Council of The City of San Diego,
as follows:

That Councilman Fred W. Simpson, General R. H. Van Deman,
Hydraulic Engineer Fred D. Pyle, and Planning Engineer Glen
Rick be, and they are hereby authorized to attend said meet-
