We are here to help. Attend one of the sessions to meet with a Customer Service Representative, learn how to read your water meter and find out more about our water conservation services.

Be sure to bring 2 to 3 of your most recent water bills for when you meet with a Customer Service Representative to discuss your account.

Can't make it?

You can contact Customer Service to discuss your account at **(619) 515-3500** or **customer@sanidiego.gov**.

Visit www.sandiego.gov/water for additional information.
