## Getting Things Done

### Groundbreaking for 24 New Single Family Townhomes in Valencia Park

Today, I celebrated the groundbreaking of Creekside Pointe Townhomes, a development by Ito Girard and Associates and Infill Development. This project will bring 24 single family townhomes at 5300 Naranja Street in the Valencia Park community.

Creekside Pointe will comprise of three bedrooms, two and a half bathrooms in approximately 1,365 square feet with a two-car garage for each home. It will consist of six buildings with a central landscaped corridor through the middle of the project. The project is located within walking distance of the Euclid Avenue Trolley Station and freeway access is nearby with Route 94, Route 15, and Interstate 805 less than a mile away.

Creating housing opportunities for my constituents has always been a top priority of mine. Creekside Pointe will convert vacant land into 24 beautiful townhomes. They are going to be homes that our teachers, nurses, police officers, firefighters, and other first-time homebuyers will be able to afford.

This project will positively impact our communities and will give families a chance to invest in this neighborhood. We're not just building homes, we're building a more vibrant community.

### Appointment of Maxine Clark to the Community Review Board on Police Practices

On Tuesday, the San Diego City Council unanimously approved my appointment of Maxine Clark to the Community Review Board on Police Practices.

Alongside her late husband, Pastor M. Clark, she ministered at the Richard J. Donovan Correctional Facility, San Diego County Jail, Chula Vista City Jail, Vista Detention Facility, House of Metamorphosis, and the Green Oak Ranch. She served as First Lady of Fairmount Community Church where her late husband pastored for 10 years.

Ms. Clark is a retired production training specialist with Xerox Corporation where she has received the coveted Xerox President's Club Award. She also founded, wrote, and directed renowned plays including, "Our Living Heritage" in its 33<sup>rd</sup> year running, "The Gospera," a combination of the Gospel and Opera and "An Evening with The King."

I am confident that Maxine Clark will be a true asset to the board.

# Council President Cole in the Community

**Full Stomach, Happy Heart:** Council President Cole with community leaders and Council District 4 residents at the 6<sup>th</sup> Annual Taste of the Diamond which featured live entertainment, music, and food to showcase Southeastern Diamond Business District restaurant and caterers.

**We Appreciate Your Input:** Council President Cole hosted San Diego Association of Governments (SANDAG) Community Conversation at the Jacobs Center to discuss the transportation network concepts in the 2019 Regional Plan. The Plan includes transit, active transportation, and roadway projects that address transportation needs of the public.

**Thank You for Your Service:** The Jacobs Center for Neighborhood Innovation gifted a home to the National Black Contractors Association to rebuild and renovate a home for a veteran family in Council District 4.
