On Monday, February 13th, my Council Colleagues and I unanimously approved the **Fiscal Year 2018 City Council Budget Priorities Resolution**. This is the start of the new budget season, and even with the projected \$36.9 million deficit, I believe that we can still **have a balanced budget, maintain current level of City services, and provide the best customer service**. I will support a budget that is equitable, responsive and one that strives to continually identify opportunities to improve the quality of life in all communities.

Approval for a \$5 Million Housing Related Park Grant

On Tuesday, February 14th, my fellow Councilmembers unanimously supported me in having the **City of San Diego request up to \$5 million for the Skyline Hills Community Park development**. The project provides for the design and construction of improvements, landscaping, and accessibility upgrades to the children's play area and recreation center. Additionally, up to \$300,000 of the grant funds will be used to complete the **Guymon Neighborhood Park and Horton Elementary School Joint Use Field**.

Addressing Homelessness in San Diego

Council President Cole will hold a Special City Council Meeting regarding homelessness on **Monday, March 20th at Golden Hall starting at 2:00 p.m.**

This meeting aims to provide actions and solutions to address homelessness including the construction of transitional and permanent housing for the homeless.

News You Can Use

- 
Support against the President's Executive Order: On Tuesday, February 14th I was joined by my fellow Councilmembers in voting to have the City Attorney represent the City by participating in the State of Washington initiated litigation in the United States District Court for the Western District of Washington against United States government officials. The State of Washington's lawsuit challenges a Presidential Executive Order restricting non-citizen travel to the United States from seven specifically identified nations. The Executive Order also suspends the U.S. Refugee Admissions Program. **This was not only the necessary thing to do; for freedom of religion reasons, for anti-discrimination reasons, for keeping children and families together reasons, for compassionate reasons, for supporting our immigrant and refugee communities reasons, and for many more reasons, it was the right thing to do.**
