Mayor's Proposed Budget for 2017

I am proud to announce good budget news for our City, and in particular the Fourth Council District. I continue to call for immediate investment into our historically underserved communities. My budget priorities memo covered **community-oriented policing needs**, the need for **greater educational opportunities**, and the need for **increased public safety**.

The Proposed Budget and District 4

The proposed budget includes several items that will benefit our neighborhoods:

- ✓ Expansion of recreation center hours
- ✓ New staff position proposed for the Teen Technology Center at the Valencia Park/Malcolm X library
- ✓ Additional increase in police officers' use of body worn cameras
- ✓ Expansion of youth job programs
- ✓ Additional sidewalks and streetlights

This is a proposed budget, so the upcoming **public input and budget deliberations** are essential to ensure that we approve a budget that responds to the needs of all of our communities.
