## San Diego City Council Unanimously Approve Hilltop and Euclid Housing Project

On Tuesday, June 12<sup>th</sup>, my Council colleagues and I unanimously approved the Hilltop and Euclid Mixed-Income, Mixed-Use Project Terms and Conditions of Proposed Development Agreement. With this approval, there will be two agreements; one for market rate housing and another for affordable housing, that will provide project benefits. These benefits are as follows:

- Revitalize a vacant site which will serve as the gateway to District 4
- Provide 47 market-rate and 111 affordable homes
- Develop 1.3 acres of open space, pedestrian paths, and public access
- Provide 8,485 square feet of commercial space with a full-service restaurant
- Create improvements along Euclid Avenue, including a gateway signage
- Engage local artists to incorporate their work in public areas
- Create indoor and outdoor public gathering spaces
- Provide sustainable features including solar panels, electric vehicle, charging and storm water filtration
- Provide full-time jobs

I am very excited for the improvements this project will bring to Council District 4 and I know that it will improve the quality of life for many of those who will live at this development. I know that it will create improvements that the whole neighborhood can enjoy. **We are one step closer to building something that residents in my district can be very proud of.**
