Council President Cole Named Keynote Speaker at National University's Southern California Commencement Ceremony & Received Honorary Doctorate Degree

IBMAN CHAVEZ N

On Saturday, June 17th, I had the honor and privilege to be named the **keynote speaker** for National University's Southern California Commencement Ceremony, in addition to receiving an **honorary doctorate degree** from my alma mater.

As a National University graduate, I understand the significance of this degree and what it means for the graduates to pursue their academic goals while working, raising families, and juggling other responsibilities.

The commencement ceremony was held at Petco Park with over **3,000 graduates** and more than **20,000 attendees**. The graduating body included students completing their degree programs online and at campuses from San Diego, north to Oxnard, and east to San Bernardino.

Council Unanimously Voted to Place the Soccer City Initiative on the November 2018 Ballot

On Monday, June 19th, my City Council Colleagues and I unanimously approved to **move the Soccer City and Qualcomm Stadium Redevelopment Initiative to the November 2018 ballot**.

Unfortunately, a lot of paid and unpaid publicity before the meeting led people to think the Council was voting on "SoccerCity," a new stadium for Major League Soccer. I, the City Attorney, Independent Budget Analyst and my council colleagues made it clear that the only options before the City Council on that day was either to adopt the initiative in its entirety or place it on the ballot in November 2018.

To make it clear, we did not have the option to vote 1.) to call a special election in 2017, 2.) how to pay for a special election, 3.) to place this item on the June 2018 ballot, 4.) to put this property out for a request to get input on other potential uses of this site, or 5.) have San Diego State University participate in any proposal for this site.
