**Approved Minimum Wage Increase in the City of San Diego
Workers and Businesses Be Aware**

The City of San Diego's Earned Sick Leave and Minimum Wage Ordinance was approved by 63% voter support in the primary election. When the ordinance goes into effect, the City's minimum wage will **immediately increase to \$10.50 per hour** then **\$11.50 by January 2017**. It will also provide workers in the city of San Diego the opportunity to **earn sick leave**.

This will take effect **as early as mid-July 2016** and must be enforced throughout the city of San Diego. Employees have the right to receive the new minimum wage increase and earn sick leave immediately.
