## Council President Cole Funds a Portable Pool for the Paradise Hills Community

With the recent heat waves in San Diego, residents are finding ways to beat the heat. Starting **July 30<sup>th</sup> until August 17<sup>th</sup>**, there will be a portable pool in the **Paradise Hills Recreation Center** that will provide swimming skills, promote water safety, and encourage young people to consider future careers as lifeguards. I wanted to provide residents in Council District 4 something fun and educational this summer, so I made sure to make this portable pool possible this season. I hope you all enjoy it!

## Hawk Pocket Park Ribbon Cutting Ceremony in the Chollas View Community

Today, students from the Encanto Day Camp joined me and other Park and Recreation staff for a ribbon cutting ceremony for the new **Hawk Pocket Park**, located at **4990 Guymon Street**. The **\$3 million** project includes play area structures, a picnic shelter, a walking track, fitness equipment, a drinking fountain, and restrooms where children and their families can play throughout the year.

I hope that this new park brings as much joy and laughter to you as much as it did the students at the ceremony.
